

Sight Word Central!

Each month, your child will be responsible for learning the month's assigned sight words. (Some great ideas to use at home include creating flash cards, making sight words games...and, if your child must get up and move, you can hide sight words cards around the house for your child to find and read!) Your child will be rewarded for learning the month's sight words at school, as well.

If your child is able and motivated, he/she can jump ahead to the next month's words once he has learned the words for the current month. The words are as follows:

September

Burgundy Words

A	Is	At	Are
I	Go	To	Come
Red	Am	Be	For
He	The	Said	

October

Orange Words

Of	With	Was	Look
