Science/S.S.

Plant parts

Math

Partitioning Shapes

Please continue to check your child's daily folder for important information and their weekly folder to see how they are progressing this year. Their homework binder contains important resources to help your child be successful in school. Also be sure they are reading every night. Words and math facts should be reviewed nightly as well. This is required nightly work. There will be weekly spelling and math facts tests.

If you would like to donate anything to our grade level, we are in need of glue sticks. Your child will bring a note home if there are other supplies he or she needs.

Field Trip	April 5
Parade of Countries	April 6
Book Fair	April 3rd- 7th Library closed

Spelling Words

Bright high right sign height bought
though cough enough drought
