EXTRA! EXTRA! READ ALL ABOUT IT!!

Welcome to Fourth Grade!! We are off to a great start! **One important announcement is for any volunteers that may help in the classroom or on field trips: You will need to go to the Franklin County Website and click on Volunteer Tracker. You will need to do this process in advance of chaperoning field trips. Please complete this early on in the year to avoid not being able to help out with your child's class!!!**

We will begin working on researching nota-

ble structures, symbols and place names which are important to North Carolina's history over the next few weeks. Research will be completed here in our labs. Students will also be working on reading skills such as identifying main idea/details, an important reading skill, while researching. Another

important skill that will be covered is summarizing. Over the past two weeks, we've been working on procedures of our room and school. They are expected to be followed daily. Our character trait for the month of September is respect. I should see examples of this with each child daily.

R.O.A.R.

I will start receipting money for fees first thing each morning. This \$15 will cover the cost of a science field trip that will happen here in class, as well as Christmas and end of year parties. Please send this in with your student

In Other News...

Read for AR for at least 30 minutes each night. Thanks!

PE this week is on Tuesday.

If you have any old board games, like Connect Four, Trouble, Sorry, etc, please let me know or send in with your student.
