Dear Families,

We have a wonderful opportunity to have a visit from Enoki, Rumble, Mrs. Lisa, and Mr. Dan from Rescuer's Relief, Inc. on Friday, April 7th. Rescuer's Relief is a non-profit group that travels the United States providing pet-sitting services, free of charge to ferret shelters, nationwide.

Our class has been receiving old fashioned, postal mail from the group. We have been tracking their journey across the U.S. on a map in our classroom. Some of the children have even been working on artwork for Enoki and Rumble.

The children will NOT be handling the ferrets. However, during the visit, your child will be able to watch the ferrets play, listen to ferrets stories, ask questions about travels, and write about what they have learned from Rescuer's Relief.

Please indicate below if your child has permission to take part in this awesome learning opportunity.

I am happy to answer any questions you may have regarding the visit.

Thank you,

Ms. Gustafson
