

Homework (Oct. 31st - Nov. 4th)

- Read 20 minutes and record it on the reading log with parent initials.
- Practice math facts
- Practice spelling words

ELA and Social Studies

ELA/Reading: The next four weeks we will learn how images contribute to and clarify a text, identify the main purpose of the text and write informative texts.

Science: Throughout the second nine weeks we will be learning about cultures and communities throughout the world.

Math and Science

Math: This week we are finishing our first nine weeks and will begin comparing three digit numbers using $>$, $<$, and $=$. We will continue to practice adding and subtracting 2 and 3-digit numbers as well as place value.

Science: The topic for the second nine weeks of science is forces and motion. We will be focusing on sound and vibration. Last week we had an in school field trip which gave the students an introduction to sound. They made eardrums and learned about pitch and volume.

Important Dates

Nov 1 End of the 1st 9 weeks
