

# Ms. Worley's Monthly Report April 2017

Weekly  
News  
Issue  
9

## Mathematician and Scientist News

\*\*\*\*\*

**Math** The 4h 9 weeks we will be learning about arrays as well as partitioning shapes into halves, thirds and fourths. The fourth nine weeks will also be a review of all the math we have learned this year.

\*\*\*\*\*

**Science** This nine weeks we are learning about life cycles. We will compare life cycles of different living things such as butterflies, frogs and chickens.

\*\*\*\*\*

## Homework Help

Students will still be required to read 20 minutes a night and log their book. It would also be helpful to practice written questions that go along with the books they are reading. They will also need to practice their addition/subtraction facts nightly.

\*Students are given 2 minutes to complete **twenty** one-digit addition and subtraction problems. Practicing nightly will help with their fluency in completing these assessments.

## Reader and Community Expert News

\*\*\*\*\*

**Reading** This four weeks we are reviewing and learning more about characters, plot, setting, problem and solution.

\*\*\*\*\*

**Social Studies**- Economics and financial literacy

- Ways in which businesses in the community meet the needs and wants of consumers.
- Supply and demand
- Why people and countries trade for goods and services
- How money is used for saving, spending, borrowing and giving.

\*\*\*\*\*

## Specials Schedule

Monday- P.E.	Tuesday- Literacy
Wednesday- Title I	Thursday- Art
Friday - Music	

**\*\*Wear sneakers on your P.E. day!!!**
