

## Homework (September 6th - 9th)

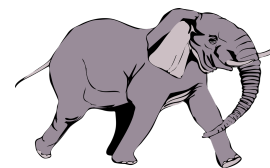

- Read 20 minutes and record it on the reading log with parent initials.

**Monday** - No school

**Tuesday** - Math - Number of the day **ELA** - Daily language review

**Wednesday** - Math - Number of the day **ELA** - Daily language review

**Thursday** - Number of the day **ELA** - Daily language review

### ELA and Social Studies

**ELA/Reading:** We will read Exploring Space With an Astronaut and talk about key ideas and details. We are reviewing long and short vowel sounds. We are also identifying the noun, verb, adverb, and adjective in simple sentences.

**Social Studies:** The first 9 weeks of school we are focusing on history and civics and governance.

### Math and Science

**Math:** This week we are practicing place value, adding and subtracting 2-digit numbers and word problems. We're also working on writing numbers in standard form, word form, expanded form, and with a base 10 block drawing.

**Science:** The first 9 weeks we are learning about weather. This includes weather instruments, such as a thermometer, anemometer, wind vane, rain gauge, and barometer. Each day we are tracking the temperature and type of weather on a graph.

### Important Dates

**Sept. 12** Grandparent's Week  
**12** Candy Man Kickoff  
**14** Early Release Day  
**16** Fall Pictures  
**20** Back to School Night
