Here is the name of our benchmark test "FCS Math 3 Benchmark 1 2020-2021 Fall (COPY)" Use this Code   BY6HY3J

To take a test, students will sign in and then complete the following steps:

1. On the Schoolnet home page, enter the online passcode for the test in the Enter Online Passcode field and click **Go**

2. Confirm that the correct assessment is selected and click **Start Your Test**

3. In the test window that appears, click **Start Test Now**

4. As they answer each test question, click **I'm ready for the next question** to advance through the assessment

5. Use test tools as needed:
   - Mark questions for follow-up with the flag icon
   - Highlight passages in yellow
   - Hide wrong answers

6. After answering the last test question, click **I'm ready for the Test Summary**

7. On the Test Summary page, click any flagged or unanswered questions to review them and make changes or additions

8. When satisfied with all the answers, click **Submit Test for Grading**

9. In the confirmation window that appears, click **Yes**

10. Click **Close Test**
