

NOVEMBER 2016

The field trip scheduled for 11/4/2016 to Hillridge Pumpkin Farm has been cancelled. I apologize for the inconvenience. We were looking forward to going. However, I did not get the paperwork finalized within the set time frame. Therefore, it was not approved. However, on Friday, we will have a learning festival in the classroom. The children will choose a community helper and be in charge of their station. I will be purchasing pumpkins and we will have a pumpkin hunt here at school. So on Friday, they will be bringing pumpkins home. Also, we will have fun games and crafts. We welcome snacks for this day but it is completely optional.
